

SALHA 146: NUMSA

TO 30.7.92

STRIKE!

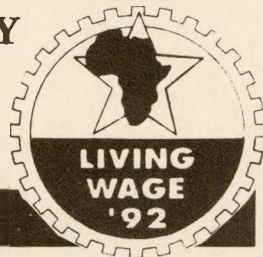

THE National Executive Committee (NEC) of NUMSA met on 27-28 June and agreed that strike action is necessary to achieve our demands in these industries:

- NICISEMI - Iron, Steel, Engineering, Metallurgical Industry
- NICMI - Motor
- NBF - Auto
- TYRE AND RUBBER

The NEC has therefore decided to hold a **STRIKE BALLOT** for workers in NICISEMI, Auto and Tyre and Rubber from 6-17 July 1992. The workers in NICMI will ballot later because the Agreement only expires on 31 August 1992. The votes will be counted on the 18-19 July. The **STRIKE COMMITTEE** will meet on 20 July to consider the ballot result and decide on strike action.

MAKE SURE YOU VOTE IN YOUR FACTORY. A LIVING WAGE AND JOB SECURITY FOR WORKERS NEEDS OUR UNITY AND STRENGTH!
